

GRIMSAY BOAT HAVEN - booking a COVID-safe visit

You are advised to **pre-book** your visit to the Grimsay Boat Haven, so that we can keep an eye on the number of people within the building, due to the size of the space and collect your details for NHS Test & Protect.

If you don't have a booking, we will do our best to accommodate you, but at busy periods we may have to arrange your visit for another time.

All visitors must check-in at the community hall before entering the Boat Haven.
